Circular: BRAC Head Office Operations from 29 March to 04 April 2020

The Government of People's Republic of Bangladesh has issued a special directive to prevent the spread of COVID-19 and declared public holiday from 26 March to 04 April 2020. BRAC is working to support the government and be next to the people during this crisis. Considering this, a circular regarding the continuity of our field operations next week has already been sent. Our head office will also continue to be in operation during this time as per the work from home policy currently in place according to the recent circular.

A handwritten signature in blue ink, appearing to read 'Maria Huq'.

Maria Huq
