Circular: BRAC Head Office Operations until 16 May 2020

As per the recent circular of the Government of People's Republic of Bangladesh, the ongoing public holiday has been extended till 16 May 2020. However, to extend our support to our field staff, our head office activities will continue to be in operation (except weekends) during this time as per our work from home policy.

Thanking you,

A handwritten signature in black ink, appearing to read "Maria Huq".
